Declaration by the undersigned

By signing this document, the undersigned **confirms** the accuracy of the above information and **authorises** Visa Card Services SA ("Viseca" or "we"):

- as part of the card application process and for the purpose of issuing the card, to verify and process the information provided above and to obtain the necessary information from third parties, e.g. from the Central Office for Credit Information ("ZEK"), the Referring Bank, credit reporting agencies, employers and other information centres that are specified by law or otherwise appropriate;
- to automatically process the information provided above and the data obtained as part of the card application process;
- to report facts such as card blocking, payment arrears or misuse of the card to the ZEK and, in the cases provided for by law, to the competent authorities;
- if the card was ordered from a Referring Bank, to obtain all information and documents from the Referring Bank that are necessary to combat money laundering and terrorist financing and to check creditworthiness. The undersigned thereby also authorises the Referring Bank to disclose such information and documents to us and to notify us of any changes to customer data; and
- to contact the undersigned digitally (e-mail, SMS, "one" app) or by telephone. In this context, the undersigned is aware that communication by e-mail in particular is neither secure nor confidential due to the open configuration of the Internet and that it is therefore possible that third parties may gain unauthorised access to the communication despite all of Visa's security measures.

Within the scope of these authorisations, the undersigned **releases** us and the Referring Bank from the obligation to preserve banking, business or official secrecy.

We are entitled to work with and to engage international card organisations, service providers and other third parties in Switzerland and abroad to perform our services. This includes e.g. card application review, card creation, online services, transaction processing, collection, operational data analysis to improve our fraud prevention and risk models or sending information or offers. Data may thus be processed worldwide, including outside the EU or the European Economic Area (so-called third countries), as listed in detail in the Privacy Policy ([viseca.ch/en/data-protection/viseca](https://www.viseca.ch/en/data-protection/viseca)). The undersigned **authorises** us to furnish these service providers and third parties with the data necessary to perform their tasks.

Insofar as the undersigned has ordered the card from one of our Referring Banks, he/she **authorises** us and agrees that:

- Viseca will share the personal data as well as transaction data with that bank; and
- the Referring Bank may use the transaction data received for its own purposes in accordance with its own data protection provisions for all of its business areas, particularly for risk management and marketing purposes.

The undersigned may revoke this consent prospectively at any time by giving written notice.

The undersigned **authorises** and agrees to allow us:

- to create and evaluate customer, consumption and preference profiles in order to offer products and services (including those of third parties) to the undersigned;
- in the context of our collaboration with our programme partners and other partners outside the companies affiliated with Visca (visca.ch/corporate), to provide them with certain information for purposes including but not limited to marketing and profiling; and
- to send such information to the undersigned at his/her e-mail address, postal address or by telephone (e.g. SMS) or provide the same via online services.

The undersigned may revoke this consent prospectively at any time by giving written notice.

We have the right to reject this card application or individual applications without indicating any reason. In this case, we and our affiliated companies are entitled to offer other products or services to the undersigned (including to the e-mail address or mobile number indicated above).

By signing the card, using and/or storing the card on a mobile or other device, the undersigned confirms that he/she has read, understood and accepted the **General Terms and Conditions for Payment Cards of Visa Card Services SA – Commercial (GTC)** and **Viseca's Privacy Policy**. The undersigned will receive an **excerpt from the GTC** as well as a link to the complete GTC together with the card.
